# PG Movie Permission

## for Townsville Central State School

Department of Education regulations mean that primary school students are only able to watch G rated movies at school without parent permission.

From time to time, our classes will be watching and studying various films for our English, Science and HASS units. Some of these films will be PG rated. There may also be situations where students will watch PG movies on special occasions such as, PBL Rewards Day, end of term/year break-up celebrations.

These movies will be viewed under the guidance of our teaching staff.

### Parental Guidance (PG)

The content is mild in impact.

The impact of PG (Parental Guidance) classified films and computer games should be no higher than mild, but they may contain content that children find confusing or upsetting and may require the guidance of parents and guardians. They may, for example, contain classifiable elements such as language and themes that are mild in impact.

It is not recommended for viewing or playing by persons under 15 without guidance from parents or guardians.

In order for your child to be able to watch a PG rated film, a permission form must be signed by a parent/guardian and held on file for the school year.
